## Bob's Bullpen...

On September 9, Bob Lehman celebrated his 88th Birthday. He was all smiles at dinner with his family as he kept saying, "Never thought I'd make it this far!" Bob still checks in weekly at PWS to make sure things are running to his liking.

Apparently they are! He's also very excited as this looks like it could finally be the year for his beloved Cubs. There couldn't be a greater birthday gift than finally breaking that curse and being able to watch his Cubs hoist the World Series Trophy. Here's hoping for the perfect gift. Go Cubs and Go Bob.

- Go Cubs!
