Quarterly News, To Keep You AFIXXed...

Volume 1 Issue 3

Whats New?

Hard to believe we are entering the second quarter of 2016 already. AFIXX saw continued growth in January thru March, and looks for more improvement this quarter.

We have added a second overseas vendor for our rivets, and we now carry the grooved mandrels in our all stainless series. Our customers, especially in the East, seemed to prefer this option, so we made sure to have them available.

AFIXX has also expanded our structural rivet offering to include both stainless 64 and 86.

Our new blue pneumatic rivet gun (BP-50V) has been received very well. It has 3800 lbs. of pulling power with a 7/8" stroke and sets rivets in all materials, including structural rivets, from 1/8" to 1/4".

AFIXX is thrilled to have Trainor Associates, All American Systems, Jim Newman Sales, Capital Marketing, L.A. Nudi & Associates, Wing Hamlin and Pinkerton Sales on board as our regional sales reps.

Our Marketing Manager, Matt Angel, was named to the 30 Under 30 List from the Young Fastener Professionals. This group identifies 30 individuals under 30 years of age who have made a significant impact within their companies and/or the fastener industry. Congratulations Matt!

Let's all enjoy the nicer weather that spring brings, and look toward a prosperous Q2 in 2016.

As always, many thanks to all who help make AFIXX a success.

Bob's Bullpen...

At the 2016 Pac-West Spring Dinner Meeting & Vendor Showcase, our own Bob Lehman will receive his plaque as an honorary member of Pac-West. Bob has been an integral part of the fastener industry for close to 60 years, and this honor is well deserved. Congratulations Bob. We're proud of you! Since this award coincides with the beginning of baseball season, we'll end on a familiar note.

- Go Cubs!
